Professional Summary

Software Engineering graduate with internship experience developing enterprise AI applications using Angular, TypeScript, Python, FastAPI, and REST APIs. Skilled in full-stack development, SDLC, unit testing, integration testing, CI/CD, Docker, version control, and building scalable AI-powered software solutions.

Experience

Software Engineering Intern — ABB India Ltd.

Feb 2026 – Jul 2026 | Bengaluru, India

- Developed enterprise AI applications using Angular, TypeScript, FastAPI, and REST APIs.
- Migrated the enterprise application from Angular 18 to Angular 22 and implemented AI-powered features.
- Built reusable Playwright and Python automation frameworks for UI, API, unit, and integration testing.
- Created and merged 15+ pull requests using Git, Azure DevOps, version control, and Agile practices.
- Performed deployment validation, Docker image verification, CI/CD support, release testing, and SDLC activities across multiple environments.

Technical Skills

Languages: Python, TypeScript, JavaScript, SQL, C++

Frontend: Angular, HTML, CSS, SCSS, Responsive Web Development

Backend: FastAPI, Flask, REST APIs, JSON

AI: Generative AI, Gemini API, Playwright, Prompt Engineering

Testing: UI Testing, API Testing, Unit Testing, Integration Testing

Devops: Git, GitHub, Azure DevOps, Docker, CI/CD

Db: MongoDB, MySQL

Projects

Asset Health Monitoring System

Python, Flask, Streamlit, MongoDB, REST APIs

Predictive asset health monitoring platform with real-time dashboards and equipment health classification.

AI-Based Drone Detection & Tracking System

YOLOv8, OpenCV, Raspberry Pi 5, Python

Real-time drone detection and tracking with multimodal sensor fusion and alerts.

VisionAI Multimodal Image Caption Generator

Gemini Vision API, FastAPI, Python, HTML, CSS, JavaScript

Multimodal image captioning and scene understanding using Gemini Vision.

Education

B. S. Abdur Rahman Crescent Institute of Science and Technology

B.Tech in Electronics and Communication Engineering | 2022 – 2026

Vels Vidyashram, Chennai

Class XII — CBSE | 2021 – 2022

Achievements

- First Place – CRESATHON'23 (Intra-College Hackathon) 2023
